Withdrawals/Refunds

Withdrawal from a course must be requested officially in writing and delivered to the Office of Graduate & Professional Studies Registrar either in person or via Endicott email at gpsregistrar@endicott.edu. Failure to withdraw officially from a course once it has commenced will result in a grade of "F" on the College transcript. Semester-long undergraduate courses comply with the add/drop dates and policies within Endicott's traditional academic calendar (September–December, end of January–May). The academic calendar is available online at endicott.edu/academic-calendar.

Students in semester-long graduate and doctoral courses may enroll in courses within the first seven days of the start of a course. Student in accelerated undergraduate and graduate courses may enroll in a course up to and including the first day of the course. Students in semester-long graduate and doctoral courses and students in accelerated undergraduate and graduate courses may drop a course within seven days of the start of the course. Students in semester-long graduate and doctoral courses and accelerated undergraduate and graduate courses must withdraw at least seven days prior to the last day of the class to receive a W on their College transcript. Students who withdraw within the last seven days of a course receive a WX on their College transcript. Failure to withdraw will result in an "F" on their College transcript.

Refunds are permitted according to the date the withdrawal request is received:

- 100% of tuition if requested before the second week (7th day of the course);
- 50% if requested after the second week but prior to the third week (14th day of the course);
- No refund after the start of the third week.

Application and registration fees are NOT refundable.

Endicott complies with the refund policies as outlined in the Higher Education Amendments of 1998. First-time students who receive Title IV assistance should contact the Financial Aid Office to obtain the Title IV refund policy or review in the College catalog.
